Warranty¹		3 months on-site	3 months on-site	3 months on-site	3 months on-site	3 months on-site	3 months on-site

¹ All on-site warranties are based on next day service. Some Cities have same day service on the fi-5900C. Call your supplier for details

² IPC Functions: Dynamic thresholding, Spot noise removal, OCR smoothing, Filtering, Automatic separation photo/text, Image emphasis, Reverse image, Zooming 25%-200% by 1% steps,

Outline extraction, Mirror image, Background removal.

³ VirtualReScan™ Professional (VRS) Functions: Automatic color detection, Background saturation, Content-based rotation, Blank page deletion, White background cropping and Deskew, and Advanced Clarity

⁴ Monochrome support only. Maximum resolution varies from 300-400dpi. Long document scanning may not be supported by third-party software.

Long document scanning is supported by ScandAll utility. Please refer to long document scanning matrix for specifics and limitations.
